## 01. Jarrow School

Jarrow School is a forward-looking school which opened in September 2003 after secondary reorganisation in the town. Stemming from values blending tradition within a culture of innovation, Jarrow School offers an education characterised by breadth and depth, embracing the culture of change.

One of the real strengths of the school is its size. It is large enough to ensure a rich and diverse curriculum, yet small enough so that every student is well known.

We encourage everyone in the organisation to do their best and to realise their potential. We believe that an open mind, independence of thought and wide opportunity will together enable our students, the citizens of tomorrow, to make well-informed judgements throughout life.

Our curriculum is exciting and challenging. We aim for the highest standards in all curriculum areas and the range of extra-curricular opportunities is wide. We also encourage visits to places of educational interest and in recent times students have enjoyed trips to London, France, Austria and Italy.

Jarrow School is a safe and caring place to be. Our teaching and support staff ensure that teaching and the day to day care of our students is first class. We maintained our 'Good' judgement in our most recent inspection (June 2022).

Inspectors from Ofsted commented that: 'The behaviour and attitudes of pupils at the school is a strength. Pupils speak politely to one another, listen to staff and are welcoming to visitors to their school.' 'Pupils are encouraged to contribute to the school community. These opportunities help pupils develop a sense of pride in their school. They feel happy and safe.'

Situated close to the northern city of Newcastle Upon Tyne and the coastal resort town, South Shields there is easy access to the UK's motorway and rail networks and Newcastle airport is 14 miles away.

Lying adjacent to green fields, the school was entirely rebuilt as part of the BSF scheme in 2009 and the site is managed under a PFI contract. We have first class facilities in all areas including a community swimming pool.
