

ICT Technician

Grade 3 NJC scale points 6-11 £19,698 - £21,748

Full-time (36.66 hrs per week), Full Year

Purpose of Post

To maintain hardware and software used by pupils and staff and provide technical ICT support for teaching and learning.

Key tasks

Support

1. Maintain ICT installations, hardware, software and peripherals; detect, diagnose and resolve computer, server and peripheral device faults, interpret diagnostic information, replace consumables, update software and occasional cabling.
2. Prioritise resolutions and determine if additional support is required maintaining a record of faults fixed or referred.
3. Provide a high quality, effective support service through the ICT helpdesk.
4. Support colleagues in computer Image roll out as required.
5. Follow a schedule of ICT maintenance activities, making amendments as appropriate.
6. Perform regular room checks
7. Support data integrity and security maintaining user access, accounts and permissions.
8. Set up AV / ICT equipment such as laptops, data projectors, interactive whiteboards, sound systems and other specialist ICT equipment, in support of teaching and school events and assemblies, ensuring that systems are ready for use and operating correctly.
9. Provide information, advice and assistance for staff on the basic use and setting up of computer equipment, software and procedures using the support desk 'How to Guides'.
10. Provide assistance to pupils in relation to school IT hardware and software related issues.

Health & Safety/Safeguarding

11. Work and give guidance to others, on the ICT acceptable use policy and practices including guidance on ICT issues relating to e-Safeguarding.
12. Follow risk assessments associated with using and operating ICT equipment.
13. Ensure the safe disposal or recycling of obsolete equipment, used consumables and waste materials in line with recognised procedures and legal requirements.

Administration

14. Respond to helpdesk enquiries, answering the phone, emails and logging details of calls.
15. Respond to password re-sets, issues with logging into systems,
16. Carry out checks to the school's back-up solutions as directed, to ensure effectiveness.
17. Maintain an up-to-date inventory of ICT software and licences and AV equipment in school.
18. Ensure the safety and security of equipment including asset labelling as necessary.
19. Receive and check deliveries and associated invoices, notify the appropriate person of any discrepancies, and obtain simple estimates for ICT equipment as instructed.
20. Ensure there are appropriate levels of stock of ICT equipment e.g. toner cartridges, projector bulbs.
21. Assist in creating and preparing requisition forms for appropriate authorisation.

The Blue Coat School
