This is an exciting time to join Whitworth Community High School. At Easter 2023 we moved into our new school building which offers fantastic facilities and in March 2023 we were delighted that our Ofsted inspection team recognised that we continue to be a securely good school - a judgement about which we were entirely confident.

We have a relentless drive to embed a culture of high aspirations and expectations throughout the school, and we offer a caring environment where students learn well, make very good progress, feel listened to and are safe. We are full and oversubscribed in each year group and parents/carers, staff and student voice is very positive and the Governing Board are knowledgeable and supportive.
