

BUSINESS ADMINISTRATION LEVEL 3

Business Administrators have a highly transferable set of knowledge, skills and behaviours that can be applied in all sectors. This includes small and large businesses alike; from the public sector, private sector and charitable sector.

The role may involve working independently or as part of a team and will involve developing, implementing, maintaining and improving administrative services. Business administrators develop key skills and behaviours to support their own progression towards management responsibilities.

WHY CHOOSE LMP EDUCATION?

Our training offer is aimed to be vibrant and engaging. We deliver a wide range of training programmes, through our blended learning approach which is individualised to each learner's needs. Our portfolio of courses is always broadening to keep up with needs of employers and learners alike. Our recent Ofsted inspection, in March 2020, found us to be 'Good' across all judgment areas with effective safeguarding.
