We are seeking to appoint a hard-working, resilient, and caring person to join our school team to work as an Individual Needs Assistant for a young person who has an additional needs profile. The role covers all aspects of their education and pastoral care, and regular communication with parents. The role of the INA is a very special one and can make the difference to a child who may not have previously been able to access their education fully.

The College is a thriving rural school, with a skilled and enthusiastic staff team. We are committed to ensuring that our students become well rounded citizens of the world, equipped with the knowledge, skills and qualifications they need for whatever they choose to do next in life.

Our intake is truly comprehensive, drawing from a large geographic area that includes both rural and urban environments. We cherish the diversity that this intake brings and are extremely proud of our College.

Visited by Ofsted in September 2022, the College maintained its 'Good' status, with the official report stating that "Pupils enjoy their lessons and value the nurturing and friendly atmosphere which pervades the College. The school's motto 'success through partnership' is exemplified through the strong relationships evident between teachers and pupils."
