At Innsworth Schools' Partnership, we aspire to create a nurturing environment where children can form lasting friendships and develop strategies to face challenges which will also prepare them for future learning at secondary school and beyond. Most importantly, we want all of the children to enjoy their learning, achieve to their full potential, and aspire to reach beyond their expectations.

Following the previous postholder moving on, the Governors are looking to appoint a creative, energetic and caring Headteacher who will lead our successful schools into the future. The successful candidate will inherit a dedicated, experienced and committed staff team with a broad balance of curriculum and pastoral expertise. They will also enjoy excellent administrative support, and the support of the governing body and committed senior leaders. We also have links with local churches, nearby Imjin Barracks (home to ARRC NATO) and our local secondary schools.
