Testimonials

Working at The King John School for the past 4 years, including my ITT and NQT year, has provided me with fantastic opportunities to develop. I have been able to attend CPD to upskill my A-level knowledge, allowing me to teach two science A-levels. I have been encouraged to attend emerging leaders training and subsequently appointed an Assistant Head of Year role. Since then, I have also attended middle leaders training to further develop within my role as a pastoral leader.

- Science Teacher, The King John School

On starting my role as an LSA at KJS my first impressions were how supported, knowledgeable and friendly the staff were across the board (on all levels). As an LSA my Job role is to provide support to pupils with special educational needs and to help them integrate as fully as possible in all activities within the class. KJS offer excellent training and opportunities to develop your career, you are fully supported and recognised for your achievements. In the four months that I have worked at KJS I have gained valuable experience and a range of assessment techniques to enable me to progress further within my role.

- LSA, The King John School

I would like to sing the praises of everyone who has supported me in the school over the last year and a half. There are way too many to name (the whole school staff is super supportive – any questions or concerns I shared, if the staff member I spoke to didn't know how to deal with that, they would point me in the direction of the person who could). Even though I was based in the English department, staff from all over the school were prepared to help in any way they could. Again, I feel that this is also reflected when the staff members are dealing with the students. I just cannot fault the support system in place – ESPECIALLY during the pandemic. Overall, my experience at The King John School has been positive and valuable to me and I hope that I am able to continue here for a very long time.

- ECT English Teacher, The King John School

Having started as a trainee in the English Department back in 2011, I am thankful to have had over ten wonderful years working at this fantastic school. The school's focus on CPD has enabled me to attend numerous courses over the years which has had a really positive impact on my teaching and learning knowledge. The support and guidance from my colleagues has given me the confidence to teach across all three key stages, from 11-18 year olds, and it has been a real privilege to have a positive impact on the learning and life chances of these students. Whether it be helping our Year 7s with the transition from primary school, or Year 13s with their university applications, I have found these opportunities hugely rewarding. I have also been encouraged to develop and progress in other aspects too and have and have been given many additional responsibilities over the years. I can honestly say that my colleagues are supportive, hardworking, dedicated and passionate and my students are enthusiastic, well-behaved and intellectually curious. These things combined have made this a truly fun, fulfilling and hugely enjoyable place of work.
