Full Time

Grade 14, £52,413 to £57,774

Start Date: 27th August 2024

Application Close Date: 9am, Monday 24th June 2024
Provisional Interview Date: Friday 28th June 2024

*Are you someone who is looking to develop IT services?
Are you experienced in delivering IT services?
Would you like to work as part of a developing IT Team?*

An exciting opportunity has arisen for someone to join our partnership as IT Manager to lead and develop the future of IT provision within our organisation. As an organisation we are evolving and in the process of meeting our ambitions for the future, this is a key post to moving us towards the outstanding education that we aspire to provide within our partnership. The appointment of the IT Manager is a key appointment where the post holder will be responsible for IT strategy and delivery across our partnership. In recent years there has been some great efforts in relation to IT development, but now is the time to move this to the new level, our aspiration is to develop a new IT team within the Trust with the IT Manager leading this team to truly change the way in which we provide education.

This is an excellent time to join our Trust as we enter the next stages of our development, everyone has a significant role to play in delivering high quality education to our pupils, find out more by taking a look at our Candidate Information Pack.

The ideal candidate will:

- Be qualified at degree level
- Have previous experience in IT management
- Possess the ability to lead and motivate others to take a new course with IT services across the Trust
- Be an excellent communicator, take on an advisory role to leaders within the Trust and have relentless focus on the plans that we have in place to deliver the services we need for the future

In return we offer:

- Opportunities to work across the partnership, developing your skills and expertise
- The opportunity to collaborate with colleagues and share knowledge and resources
- Access to our professional networks and professional development programmes
- Opportunity to develop experience in setting up an IT department from its early stages, with this the opportunity to shape and develop your own team
- Access to our Bradgate Benefits package (see Candidate Information Pack).
