Realising Potential. Transforming Lives

Mr Chris French
Chief Executive Officer

Realising Potential. Transforming Lives.

At Mercia Learning Trust, we believe that if education is about anything, it is about social mobility and social justice. We are a 2-18+ cross-phase Trust based in south and southwest Sheffield, serving a range of diverse communities. Our mission is simple: to ensure every child, irrespective of background, starting point or need, attends an exceptional school.

Our seven schools (four primary and three secondary) are very effective, continuously improving, and over-subscribed. Several are sector leading at a city, regional and national level, and there is much expert practice.

We are proud that our schools are inclusive, warm, welcoming places where all pupils feel happy, safe and are able to flourish. For us, flourishing means being part of a vibrant school community, where exceptional behaviour, kindness and respect are the norm, and where pupils want to work hard and succeed.

The Trust is especially focused on our most vulnerable children.

We operate within a model we call 'Aligned Autonomy'. Each school retains its authentic identity, in its own context and community, and we celebrate difference. The common theme is that we all embrace an improvement journey through which we become exceptional. This means leaders and staff share similar challenges, and often work together to find common and scalable solutions.

We employ a diverse and exceptional staff across the full range of teaching, non-teaching, and leadership roles. We are acutely aware that these are our greatest asset. We cannot prosper as schools or a Trust, and fulfil our mission for children, unless we can recruit, develop, promote, and retain the very best people. We also understand the importance of attracting new entrants into teaching, are a substantial provider of Initial Teacher Training and provide fantastic support for Early Career Teachers.

We expect a great deal from staff and understand that working within schools is rewarding and fast moving, but also demanding. We promote ethical leadership to ensure strong support and professional development, coupled with a commitment to well-being and maintaining a healthy work-life balance.

MLT is a great Trust with a clear vision, robust schools, effective central functions, and is led by talented staff and leaders. We have a strong identity, a positive culture, and an effective model of operation. Our scale and location enable us to function as a close-knit network and family of schools and professionals. While we are pleased with our current position, the Trustees are ambitious for further development and improvement.

Working for the Trust also offers the opportunity to reside in the vibrant city of Sheffield, renowned for its sports, leisure, and cultural activities. Sheffield boasts more parks, open spaces, and trees than any other city in the UK. Additionally, the picturesque Peak District National Park borders the west of the city.

We welcome applications from those who subscribe to our mission and values, and in turn we commit to being a Trust where staff can prosper, flourish, and build their career.
