

IT TECHNICIAN

The Skills for Life Trust

NJC Grade D2 points 4-11 - £18,933 - £21,748 per annum

Hours: 37 hours per week, 52 weeks per year

The Skills for Life Trust, currently comprises two secondary academies and three primary academies: Greenacre Academy, Walderslade Girls' School, Warren Wood Primary Academy, Hilltop Primary Academy and Chantry Community Academy.

We are currently looking for an IT Technician to join our enthusiastic and committed IT team. The successful candidate will be actively involved in providing technical advice, training and support to staff and pupils on the use and development of all teaching administrative ICT systems, whilst ensuring the maintenance of hardware and the administrative control of ICT assets including warranties and copyrights.

This role will involve providing face to face or virtual training to large numbers of staff and pupils across the Trust, therefore excellent communication skills and experience of presenting to large groups is essential. A driving licence is required due to the locations of the school sites and the need to travel between them in a timely manner. Please read the full job description and person specification for more information.

The Skills for Life Trust have developed a set of core values for staff which are promoted, encouraged and led by our CEO, Mr Andy Reese. The values help to ensure staff have a healthy work-life balance, are recognised and praised for their work, and are empowered to make decisions.

Amongst the many benefits of working within the Trust you will receive;

- Skills for Life Trust values
- Free Private Healthcare Cover
- Personal development and promotion opportunities across the Trust
- Trust wide focus on staff wellbeing
- A supportive environment

The Skills for Life Trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. This post is subject to an enhanced disclosure from the Disclosure and Barring Service (DBS Check) and the receipt of two satisfactory references.
