Dear Prospective Candidate,

We are delighted you are eager to become part of our school's exciting future as we look to expand our age range and become a through primary school from September 2025.

Situated in Rothwell, about 3 miles south of Leeds City centre, Rothwell Victoria School is a friendly, inclusive school where the values and ethos of a high level of care for all pupils underpins our daily work. We serve a local community which is economically and socially diverse and draws its pupils from the surrounding area. The percentage of pupils eligible for free school meals is above average. A small number of our pupils are from ethnic minority families. The school is planning to become a one form entry from September 2025

The school caters for a very wide ability range and aspires to provide an exciting, creative curriculum that is meaningful and relevant to our children. The OFSTED inspection in May 2023 judged Victoria as Good overall with Personal Development, Behaviour and Welfare judged to be strengths of the school. The report states:

- The school's vision and values are evident in the day-to-day life of the school.
- Leaders expect pupils to work hard and show care and respect to others.
- The provision for personal development is of a high quality. Leaders provide an impressive range of opportunities to help pupils develop their understanding of the world
- Leaders have carefully planned the curriculum that they want pupils to study in all subjects
- Leaders are highly knowledgeable about the needs of pupils with special educational needs and/or disabilities (SEND).

We very much welcome interested applicants to visit us by appointment, prior to submitting an application. This can be arranged by emailing: mark.robinson@victoria-jun.leeds.sch.uk or by ringing the school office on 0113 3932926

Yours sincerely

Mrs Amanda Burrow
