

Littleport Community Primary School is a vibrant and happy place to learn (OFSTED, Sept 2018)

We are looking to recruit a Key Stage 2 teacher for a Year 5 class on a 2 day a week contract starting as soon as possible.

Are you a passionate teacher with a proven track record of delivering high quality teaching activities living locally or looking to relocate to East Anglia or gain new and exciting teaching experiences?

We have established a thriving regional evidence network and pride ourselves on being a beacon of good practice with connections to the EEF and the Research School Network. Do you want to join a forward-thinking school with innovative approaches to learning at its heart that benefits from being strongly evidence informed?

We are looking for someone who:

- Is an excellent practitioner and team player
- Is inspirational, adaptable and consistent in their approach to working with children
- Has high expectations and a commitment to raising standards
- Has experience of planning, assessing and teaching lessons to mixed attainment classes
- Has a commitment to research-informed practice and the benefits of outdoor learning

The position is open to teachers of all experience who have a drive to teach in Key Stage 2.

Our school was rated 'Good' by OFSTED in September 2018. We have a proven track record of developing our staff – many of our Senior Leadership Team came to us as newly qualified teachers and have progressed whilst here.

We will be able to offer you:

- Motivated children whose behaviour for learning is rated as a real strength
- A welcoming learning environment in a purpose-built school with large grounds including a nature area, woods and allotments, which are all ideal for our Forest School provision
- A highly supportive Governing Body
- Skilled and professional staff who have the best interests of children at heart
- Opportunities for continuing professional development driven by high quality educational research
