Job Hazard Form

This form highlights hazards related to the role that could pose a risk to the post holder.

Role Title: Class Teacher

Manual Handling
This role requires hazardous manual handling operations. The types of manual handling operation involved in this role are movement of small items such as boxes, parcels, books and other resources. These manual handling operations are required on an occasional basis. The weights involved in these manual handling operations are up to 10kg.

Display Screen Equipment
This role will require the post holder to be a Display Screen Equipment User. This will involve use of a desktop computer or laptop.

Job Characteristics
This role involves working with children up to age 11 years old. This role also involves contact with children with special needs including those with medical and physical difficulties. This role involves working with sharps (eg administration of an 'Epipen' or similar.) This role also has potential to involve verbal abuse and/or aggression although this is likely only very rarely.

Work Environment
This role is carried out in an environment which may involve lone working on occasion.

Personal Protective Equipment
The post holder is required to wear personal protective equipment to be worn on their hands (gloves) when dealing with bodily fluids.

Biological Hazards
It is possible that the post holder may come into occasional contact with people with infections e.g. human bodily fluid through first aid.

Applicants should be aware that where roles are exposed to hazardous risks, risk assessments are undertaken and control measures are put into place where possible.
