Dear prospective Oakfield staff member

Thank you for your interest in applying for a position at our school.

The Governing Board, staff, children and families are very proud of the education we provide at Oakfield Junior School and we were delighted when this was recognised in our most recent Ofsted inspection when we were graded as good. This is a safe, happy and caring school to learn and work in and our wish is for staff to join us who share our vision and values.

Our new staff member will be supported by a dedicated team that is hard working, flexible and unvested in our children. Staff across the school; maintain robust systems for ensuring that children are safe, happy and successful. The management of behaviour and the quality of relationships are strengths of the whole school. We work hard to engage effectively and productively with all stakeholders.

The school is outward facing and works successfully in partnership with other schools in Fetcham and Leatherhead.

Through leading by example in your standards of hard work and enthusiasm, you will help to ensure that Oakfield Junior School remains a place where all children enjoy their learning journey and development, being effectively supported to overcome any barriers so they achieve the best outcomes possible.

Our new staff member will be wholeheartedly welcomed within the whole school community, and actively involved in supporting our school in moving forward in our continued school and learning improvement journey and raising standards.

We look forward to possibly meeting you on a visit and/or, if shortlisted, during the next stage of the recruitment process.

Thank you and best wishes.

Yours sincerely

Debbie Willemse  
Headteacher
