

## Key Stage 2 Class Teacher

L.E.A.D. Academy Trust consists of 25 academies across Nottingham, Sheffield, Derby, Lincoln and Leicester and is recognised by Ofsted as a leading academy sponsor. Our academies are encouraged to lead and manage in a way that preserves their individual identity and responds to the specific needs of their young people and community.

This role represents an exciting opportunity to be part of something special, developing and supporting our Trust in improving education outcomes for children and young people. In the attached candidate pack you will find further information about the role and its responsibilities.

### Warren Primary Academy

Warren Primary Academy is a one form entry school in Top Valley, Nottingham, where community is at the heart of everything we do. We are looking for a hard-working and passionate KS2 teacher to join our team from January 2024 although we are open to a later start date for the right candidate, who wants to be a part of the academy's journey to becoming an Outstanding school. Our most recent Ofsted in November 2022 noted that the academy is Good, with one parent summing up the views of many saying "it really feels like the school is a community again and that the children are in an environment where they are able to learn."

Our vision is for every child to know the feeling of success; we prioritise their needs and remain unwavering in our ambitions for them. We aim to provide 'Limitless Opportunity' with 'Endless Potential' for all pupils, regardless of backgrounds, and we are looking for someone who is willing to living this vision out every day.

Our four core values of creativity, community, commitment and compassion run through all aspects of our school, like golden threads and are a key component of our new curriculum model. This has been designed to ensure inclusivity of all of our pupils.

The dedication and passion of our staff living out our vision was demonstrated this year through our win of the Whole School award at [The Farshore Reading for Pleasure Awards 2023](#). The award recognises the work by the school in developing reading for pleasure habits with the children and how this extends to their families, carers, community and teachers. We are a school who has a passion for reading!

We are also committed to teacher development through our robust CPD offer, including ongoing support from a friendly team who have worked hard to create a family feel and establish the school at the heart of the community.
