Key Stage 2 ECT Classroom Teacher From 1 September 2025

We are looking for an enthusiastic, self-motivated and committed Key Stage 2 Early Career Teacher to join our established team from 1 September 2025. Whilst this role is initially offered in KS2, the successful candidate will have the flexibility to work across both KS1 and KS2 as required.

Bure Valley School is part of Aylsham Learning Federation; an exciting and innovative three school federation that supports the learning of children from nursery through to year 11. All schools are members of The Aylsham Cluster Trust, which along with other cluster schools, is focused on raising standards and improving the quality of life for our children and their families.

Bure Valley School has excellent staff, superb facilities and great pupils. We receive excellent support from parents and the wider community. Our goal is to create a caring environment for all children, so that every child feels safe, happy and valued. We want our pupils to develop a love of learning, to experience enjoyment and challenge and to strive for excellence in their achievements.

We believe wholeheartedly in helping teachers to improve their classroom practice and our CPD programme is incredibly strong. At Bure Valley School all staff get help to develop their practice. We are committed to exploring evidence-based practice and current research in education. Our approaches to the monitoring of teaching and learning standards are supportive.

Personal qualities are of paramount importance and the person appointed will be expected to display energy, good humour and reliability. If you would like to join a successful and genuinely warm and friendly Federation with a tremendous community attitude, then we would love to hear from you.
