

Full time permanent class teacher from September 2023
Early Career Teacher/Main Pay Scale for Key Stage 2

We are looking for an enthusiastic, talented and creative teacher to join our friendly and committed team at St John's Primary School in Wallingford. In return we offer excellent staff development through peer to peer learning and coaching in school, as well as opportunities across our academy trust. Our children are enthusiastic and love learning.

At St John's, we are committed to providing an outstanding education for all of our children. As part of the OPEN Umbrella Trust, a group of 4 forward thinking and collaborative primary schools in South Oxfordshire, we provide exciting opportunities for sharing good practice with colleagues beyond St John's. This includes shared INSET, a supportive NQT network, subject coordinator network and year group teams who meet regularly. OPEN also provides opportunities for children to meet and work together either through sporting events and other events. We are a dynamic partnership of schools and our collaboration in all areas of school life continues to grow.

St John's has a creative and engaging curriculum, and we place a love of learning at the heart of everything we do. We are looking for a team player who shares our aspirations for excellence in all aspects of school life.

We are fortunate to have extremely supportive parents and committed governors who work closely with us to ensure the ongoing success of the school. We received a very positive Ofsted report in April 2018 and were graded 'Good'.

We would welcome applications for this post from both experienced teachers and Early Career Teachers. We would welcome the opportunity to show you around our school; please make an appointment by phoning on: 01491 837305.
