We are all committed to supporting the personal, emotional, spiritual and academic needs of all our children which we do through nurturing positive relationships between everyone inside and outside of school. We are seeking a positive and enthusiastic professional with the ability to contribute to our collective drive to lift academic standards after the disruption of COVID-19, and the attitude to improve their own practice. Our school is a diverse community and faces a range of challenges which we all respect and tackle with honesty, humility and perseverance.
