May 2022

Dear Applicant

Thank you for expressing an interest in working as part of the EP Collier Team! I am really pleased that you have chosen to apply for this role at our school. EP Collier is a great place to work - the staff are a friendly and committed group who all work really hard to make the school the warm and supportive place that it is. When we are able to do so there are many activities arranged by staff for staff - from informal drinks after school, trips to the Hexagon, curry nights to Christmas parties!

EP Collier is a successful, friendly and vibrant community - we have families from across the world which engenders a cohesive and tolerant atmosphere in which everybody's individuality is celebrated and enjoyed. Inclusion is a key part of our ethos, this is additionally important as we have a 12 place Speech and Language Resource in school and the children are integrated into mainstream for part of the day. We value the whole child and work hard to build and maintain excellent, proactive relationships with parents in order to be able to address all a child's needs. We have adopted a therapeutic approach to behaviour and you can find out more about this in our behaviour policy on the website - along with a lot of other information to give you a feel of our school!

We have high aspirations for our children and want to recruit people to join our team who have the same vision of a high standard of education for all children.

I look forward to receiving your application electronically.

Yours sincerely

Justine McMinn
