Courage, Compassion, Community

At Elm C of E our values drive everything that we do and as a result our teachers enjoy good behaviour in lessons and hardworking, motivated pupils.

We are a relatively small village school with 37 children in Pre-school and 210 across Reception to Year 6, where teachers, pupils and their families know each other and look out for each other. Safeguarding children enrolled at the school is of paramount importance, and we are fully committed to the protection and safe care of our pupils. The successful applicant will be required to undertake appropriate checks as well as providing proof of your right to work in the UK.

Our knowledge-rich curriculum is a **progression model where Knowledge is valued and specified, well-sequenced and taught to be remembered**. We teach 'to the top' because we know that **all** pupils in our classes are entitled to all the knowledge. We provide **scaffolding** for those pupils that are slower graspers. If our pupils have understood and retained knowledge from the **carefully sequenced curriculum** we have taught, we know that they are where they should be.

Successful candidate qualities

We're looking for people who want to be the best. You will be excellent in the classroom and an inspiring character who is willing to also contribute positively to wider school life. Most of all, you will be clear that education is a great leveller and work hard to help us achieve our goal of preparing every pupil to succeed in life.

Support and Development

Career development is a priority – we have an in-depth school specific and DEMAT supportive CPD schedule, there will be opportunities to work on whole school and Trust priorities and gain the experience required to progress into further leadership roles if that is your goal.

There are no unwieldy and impossible marking policies, our bespoke curriculum is well mapped out and lessons planned with the Primary Knowledge Curriculum (PKC), although we are a one form entry school we work as a team together, you will not feel alone, supporting positive mental health and a manageable workload - creating the right work/life balance is a priority and Senior Leaders have a very high profile to ensure that you are supported to develop.
