Staff Charter

THE LAURELS PRIMARY SCHOOL STAFF CHARTER

 Marking and Feedback – We have a policy of live marking in the moment by all adults in the classroom. In the moment feedback is verbal with minimal recording in books. We encourage the children to take ownership of correcting misconceptions in their work.	 Culture – The culture of our school is critical to an enjoyable, rewarding work environment. We all want the best for our children and therefore all staff are encouraged to communicate any feedback to leaders so support can be offered and adaptations can be made where necessary.
 Data Collection – Data is collected three times a year for all subjects so subject leaders can monitor progress without overburdening staff.	 Change – Where new initiatives are produced, they are based on the latest research and what will work for The Laurels staff and children.
 Annual Reports – Our reports give parents and carers the key information they need. They are concise and focus on the important personal and social detail whilst being clear about where pupils have met expectations.	 Support – Every class in the school has a full-time Teaching Assistant to support the teacher and learners by giving feedback, delivering interventions and mapping the children's provision.
 Subject Leadership – The Laurels is committed to supporting every subject leader with termly release time to look at children's outcomes as well as termly release time to work on their personal action plan.	 Emails – There is no expectation for staff to respond to emails outside of normal working hours. We trust the professional judgement of staff to make decisions about when they work in order to achieve a work-life balance.
 CPD – Teachers and support staff have weekly CPD sessions that link to identified areas of whole school improvement and the latest research. Subject leaders are directed to CPD in their subject areas to further develop their leadership. Staff are also provided with external CPD opportunities as individuals or whole teams. We work with the Research School, Maths and English Hubs.	 Staff Bulletin – Every week there is a staff bulletin that is shared with the whole staff team, which recognises staff contribution and celebrates success and achievements. It also ensures all members of the team receive key communication and removes the need for a Friday or Monday meeting.
 Planning – We have detailed plans and resources for foundation subjects so teachers can focus on adaptive teaching for the children in their class.	 Employee Assistance Programme – We have an employee benefit programme which supports staff through health and wellness services.
