Bitham Brook Primary School is a happy, popular two-form entry school situated in Westbury, Wiltshire. We are seeking to appoint a KS1 Teacher who will join a caring team of staff who pull together to make our school a great place to be. Our school is blessed with wonderful pupils (who won't fail to bring a smile to your face!) and a supportive school community.

The school has completed an exciting period of change with a large extension completed in 2022. The school now has a spacious, modern building which includes a large hall, library, dance studio, drama room and technology room. This allows us to deliver a rich curriculum and provide all our children with a wide range of opportunities to discover their talents and interests. We are also blessed with some amazing outdoor spaces! In addition, many areas of our teaching practices are at the cutting edge and the successful candidate will have the opportunity to add to this thinking as well as benefitting from being part of the school's journey.

We are seeking to appoint an enthusiastic and committed teacher who:

- is passionate about children's learning and wants to play a key role in enabling our children to flourish
- is able to deliver engaging lessons with a clear focus on the steps that enable children to progress through the curriculum
- is able to insightfully use formative assessment to inform their teaching and improve children's learning
- has a complete and coherent understanding of teaching children to love reading
- is a great story teller
- a team player who adds energy to colleagues

If you have any questions, please don't hesitate to contact the school office and a member of the senior leadership team will be happy to talk to you. Visits to the school prior to submitting your application are most welcome - the headteacher or a senior member of staff will be happy to show you around and help you to get a good sense of the school prior to application.

To arrange a visit, please contact Mrs Claire Clift: recruitment@bithambrook.wilts.sch.uk
