## Information Leaflet

# DANSON Primary School

Danson is an oversubscribed, friendly, family orientated yet progressive school. Our children are polite, kind to each other, enthusiastic, motivated and love learning. We have expanded to become a three form entry school; hence, Governors are seeking to appoint a motivated, creative and enthusiastic full time class teacher to join our dedicated staff in either Key Stage 1 or Key Stage 2.

We are extremely fortunate to have a team of dedicated, hardworking and committed staff who strive to continuously demonstrate our school's aims and values. You would join an amazing teaching team who deliver exciting approaches to learning and teaching ensuring our pupils have a broad and balanced range of opportunities by which to foster the development of positive, responsible attitudes towards learning alongside the development of personal and social skills.

At Danson you will be given an opportunity to develop your own strengths and professional development. Additionally Danson prides itself on the length teachers remain within the school, some within the Senior Leadership Team started as NQTs, with others having started their life as a pupil here.

### What our pupils say about us:

*'I like Danson because it caters for all and is equal for everybody.'*

### What our parents say about us:

*'Both of my children are very happy at Danson and have flourished in their learning and also in confidence. They have wonderful teachers and we couldn't be happier with their progress. We feel proud that our children attend Danson!'*
