Summary Description

This role will be part of the Senior Leadership Team. It is, therefore, an excellent opportunity to gain or continue to build leadership experience for future career development.

Borrow Wood Primary School is part of the Odyssey Collaborative Trust (OCT). OCT is a local Derby City trust currently consisting of 7 schools. The trust was formed in March 2019 by the head teachers of the 6 founding schools, who share a strong ethical vision based on retaining the identity and ethos of each individual school, whilst working together to promote and maximize opportunities to provide the best possible education for all children across the Trust.

Therefore, we are not managed and controlled remotely by a large Multi-Academy Trust. Nor do we have a corporate image. We are proud of being Borrow Wood Primary School with our own individual ethos of:

CHOICE

- Challenge... where we have a go, make mistakes and try again.
- Honesty... where we always tell the truth.
- Ownership... where we take responsibility for our behaviours, learning and environment.
- Inclusive... where we accept and respect everyone.
- Care... where we look after ourselves and others.
- Excellence... where we bring out the best in ourselves.

Governors are, therefore, looking to appoint a teacher, who is committed, dedicated, determined

and resilient - an individual who is knowledgeable about learning and skilled at bringing out the best in all our learners so that they become confident, resourceful and well educated members of our society.

You will need to be able to:

1. Demonstrate a keenness to continually develop excellent subject knowledge, in particular ***all aspects of the English curriculum.***
2. Use Assessment for Learning evidence to inform planning and next steps for the children.
3. Scaffold teaching and learning according to need and children's interests.
4. Show a high level of skill in classroom organisation and behaviour management.
5. Be an effective team player and ***lead a team of teachers and teaching assistants.***
6. Deliver exceptional pupil progress and outstanding attainment.
7. Believe that **ALL** children should be the best they can be.

In return, we provide the opportunity to work with polite and well-mannered children, who have positive attitudes to their learning and want to do well; and to be part of a staffing team that plans together and supports one another.

We also encourage our staff to be open minded to all learning opportunities for themselves and therefore place high value on CPD to keep our teachers up to date with skills and knowledge. A key priority is to focus on developing teachers to be 'experts' in the subjects they lead with the support of our Curriculum Leader.

Borrow Wood Primary School is committed to safeguarding and promoting the welfare of children and young people, and expects all staff and volunteers to share this commitment. As this post is regulated activity, successful appointments are subject to an enhanced Disclosure and Barring Service check and relevant recruitment checks that comply with guidance in the most recent version of Keeping Children Safe in Education. We are committed to equality of opportunity in employment and services. Borrow Wood Primary School is part of the Odyssey Collaborative Trust
