We can offer you a wonderful working environment, with a clear focus on teaching and learning, including high-quality professional development. We are a large school and part of a MAT, which gives our staff fantastic opportunities for development and promotion. Our school serves a diverse catchment and works hard to ensure that all children thrive and grow. The children are amazing and we know you will feel a deep sense of satisfaction from providing the right environment for them to succeed.

We are looking for a teacher who has the ability to inspire, support and develop our whole school community. We invite candidates who are experienced in middle leadership and have high expectations of themselves and those around them. Our Team Leaders are central to the culture of excellent teaching in the school and play a key role in whole school development. The right candidate will place great importance in developing strong relationships with the children, staff and community; be skilled in teaching and learning and have a deep-rooted passion for excellence in the curriculum.

- Takes pride in developing strong relationships with children, staff and the wider community
- Has ambition, energy and a passion for evidence-based practice
- Is a strong and experienced teacher of phonics
- Focuses on children's personal development and embodies our school values

Set in the seaside town of Torquay, we have the beach at the end of our road and are situated close to the moors and countryside. We are within an easy commute from rural, seaside and city living and - because Torbay is such a popular holiday resort - we have a fabulous range of attractions, restaurants and transport links at our fingertips. We are also only 30 minutes away from Exeter Airport with routes to UK cities and worldwide destinations. We could offer a relocation package for the correct candidate.
