We are looking to appoint an outstanding teacher to join our Key Stage One Team in a supportive and friendly environment. The successful candidate will work part-time and be responsible for teaching, planning and reporting assessments. We are a caring school with a strong team of dedicated staff and governors working towards our key aim, to provide a supportive environment which will enable children to achieve their potential across all strands of learning.

At the heart of learning is a strong partnership between school and home. We strive hard to achieve this and we work with parents so that together we can provide the very best all-round education for the children.

We have recently relocated to a larger area in Norton Road in Thurston to accommodate the huge expansion, which will see the school go from being able to accommodate 210 pupils to 420. Our new school provides a modern learning environment for local children.

This is a fabulous opportunity to join our supportive and caring team of professionals working with enthusiastic pupils.

Please apply initially by contacting the school office for a job description and application form or downloading the pack.

If you would like to visit the school or have a discussion with the Headteacher, please call 01359 230444 or email at: admin@thurstonprimary.net

Closing date: Friday 8th October noon.

Interview date: Friday 15th October 2021
