

UPS/MPS according to skills/ qualifications and experience

Fixed term Full time KS1 January 2023 start.

Stop Looking! You have found your perfect job. We love our school and know you would too.

Would you like to join our fabulous, friendly and dynamic team? We are an amazing two-form entry primary school with big ideas, huge grounds and wonderful children.

We were recently inspected by Ofsted (September 2022) and are delighted with our report.

We are looking for a teacher to join us, who is excited to help us achieve even better outcomes for our vibrant, engaging and inspiring children. Our children want someone who can make their learning interesting, care about them and their family and may like to lead an after school club like cooking, lego or yoga.

We are looking for a team player who is excited to take on a whole school responsibility. We would love to hear from you if you can play an instrument and would like to lead a singing club or have experience leading forest schools but would love to hear about other skills too.

Can you give us;

Dedication, enthusiasm and commitment

A good knowledge of teaching pedagogy and experience in key stage

A desire to be research led in their practice

Team work and a commitment to self-development

A good level of numeracy, grammar and literacy

Effective communication skills

If so, we can offer you;

An excellent team of people to work with, in a wonderful atmosphere

Training opportunities and support

Friendly, happy children

Cakes and chocolate!

We would love to meet you. Why don't you call us for a look around to see how lovely we are for yourself.

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. This post is subject to an enhanced DBS check.
