

ST JOHN THE BAPTIST CE JUNIOR SCHOOL

Life in all its fullness John 10:10

KS2 Class Teacher and Aspiring Leader required for September 2022

Full-time and Temporary; Salary – M4-M6 (Outer London)

We are looking for an aspiring leader and inspirational class teacher on an initial one-year contract, with the possibility of becoming permanent.

We are especially keen to hear from you if you:

- Are an aspiring Assistant or Deputy Headteacher, looking to grow in your leadership experience and skill;
- Have a specialism and passion for PE and School Sport, to build on our established successful, inclusive practices in what we believe is a crucial area of a child's primary school experience.

What St. John's can offer you:

- A passion and commitment to support you in living life in all its fullness; striking the balance between work and home life and helping you to sustain your love for teaching
- A close-knit staff team who are willing to muck in and support one another
- A school culture which is committed to growth – both the personal growth of individuals and the growth of our practice as a school
- Children who are polite and well-mannered, who are proud of their school and who regularly receive glowing comments from those they encounter on trips and sporting events
- Great location, close to the river, Bushy Park, and both Teddington and Kingston towns

What we are looking for in the next member of the team:

- Someone committed to the Christian ethos of our school, where Christian values underpin our every decision and interaction
- Someone committed to nurturing and inspiring every child to live life in all its fullness, both now and in the future
- Someone who is committed to growing in their practice; willing to try new things and learn with us as we explore how we can better enable every child to flourish
- Someone who wants the best for everyone, and has the passion and commitment to work with the staff team to realise this vision in our school community
- Someone who is, or demonstrates the capacity to become, a brilliant leader – able to nurture both children's and adult's talents and help them to grow
- Someone who brings other skills and interests to the staff team and who would be willing to share these through opportunities such as leading clubs or specific subject leadership responsibility.

What to do next:

Please come and visit us! Our Headteacher, Mr Chamberlin, would be glad to meet you to discuss the role and take you on a tour of the school. Please download the application form and the equal opportunities form, which we kindly ask you to complete and email to the School Business Manager at cmorris@stjohnshamptonwick.school by the deadline below.
