About the school

Barlows Primary School is a community school situated in the heart of Fazakerley in the city of Liverpool. The school has been at the centre of the local community for many years and we pride ourselves on firmly holding the pupils' best interests at the heart of everything we do. Our aim is to provide high quality learning in an inclusive, nurturing environment for all our pupils. At the end of their learning journey with us, we want our pupils to be well rounded individuals who can thrive in the next stage of their education.

Our ethos promotes development of academic and emotional intelligence in all our pupils, enabling the breaking down of any barriers they may face. Through opening the door to lifelong learning beyond the classroom, we strive to empower each child to achieve to the best of their ability. Displaying the opportunities available later in life supports children to succeed now and in the future.

We are also an Apple Regional Training Centre utilising 1:1 iPad deployments across Year 2-6.
