## Key Stage Two Teacher

Required for September 2022 or earlier if available

Closing date: 24<sup>th</sup> June 2022

Interview date: TBA

We are looking to recruit a Key Stage Two teacher to join our primary team. We are looking for someone who is able to deliver the broad curriculum in an imaginative, creative and engaging way. We know every teacher wants to be the very best they can be and we would love to help you along this journey. Teaching is full of rewards and challenges but what is key is a supportive team to work alongside you as you develop.

ECTs are welcome to apply. The ECT training programme is run by Education Development Trust and Redbourne Teaching Partnership.

Gilbert Inglefield is a thriving, happy and successful school. Pupils are proud of their school and this is reflected in the commitment and standards they bring to so many aspects of school life. The excellent achievements of our pupils over their four-year journey with us are the result of their hard work, the support of our parents and the expertise of a dedicated staff. It is a real team effort.

Our academy provides a unique opportunity to teach both key stage two and key stage three children. We work with children age 9 – 13 (Y5 – Y8) and this age range enables us to put the curriculum at the heart of what we do. There are no national tests or exams at the end of key stage three and this empowers teachers to focus on driving a broad and balanced curriculum. As a teacher you will be surrounded by professionals from a range of backgrounds including both primary and secondary training. Teachers share pedagogical practice with each other and there is a genuine sense of a learning community.

Our aim is to ensure that through the highest quality teaching of a broad, balanced and challenging curriculum in a stimulating environment, each pupil flourishes. With an excellent pastoral care system, we foster an environment where children feel safe and able to learn. We are a community that values each child and provides them with the opportunity to fulfil their potential and enjoy learning. We believe in building a child's confidence, adaptability and resilience for the future within an ordered and structured environment, where high expectations are a habit.

Our school continues to grow to meeting the increased housing need. Last year we had £7m investment of new facilities and we are proud of what we can offer our learners. The school hopes to grow to 840 pupils by 2024.

Leighton Buzzard is 30 mins by train from London which means we have access to amenities of the capital on our doorstep.
