Background Information

The Diocese of Gloucester Academies Trust (DGAT) is a Multi-Academy Trust established by the Diocesan Board of Education (DBE) in 2012 to serve schools from across the County. There are currently twenty-one primary and one infant school within the Trust.

The Trust is currently working with a number of schools who are exploring academy conversion. It is therefore anticipated that the Trust will grow in number in the future.

The vision and ethos of the Trust

The vision of the Diocese of Gloucester Academies Trust (DGAT) is to provide children of all faiths and none with excellent educational provision which transforms lives within a caring and supportive Christian ethos.

In achieving this vision, DGAT works with academies which realise the benefits of a collaborative approach to sustaining and developing excellent educational provision. The Trust has therefore adopted a collegiate approach to developing communities of learning, designing flexible models of working which fully utilise the expertise which exists within its schools and in its centrally employed staff. It is an expectation of the Trust that all DGAT academies will play an active role in sharing best practice and learning from one-another, as well as being outward facing and engaging with the wider local and national educational agenda. The ultimate aim of the Trust is to build sufficient capacity within its academies to be self-supporting in order to be fully responsible and accountable for transforming pupil outcomes.

In order to support the Trust's academies, DGAT provides the following support:

- School Improvement
- Christian Character
- HR and Legal
- Finance and Business
- Premises and Insurance
- Compliance and GDPR
