If so, then we can offer you:

- a school where staff are proud to teach and where everyone believes we can all shine brightly;
- support from an experienced, knowledgeable, and hard working team of professionals for Early Career Teachers and excellent professional development for those more experienced;
- a great working environment that shines brightly in our village with a state-of-the-art building and facilities dedicated to enhance learning in our purpose-built school;
- a temporary contract until August 2026 in the first instance, although with potential to continue after that.
