# About Hillsborough Primary School

Hillsborough is a 'good school' (Ofsted section 8 inspection May 22) which is housed in a Grade 2 listed building, educating children from 3-11. We are a two-form entry school but due to falling pupil numbers, we have some mixed classes through school. We provide nursery education for three and four year olds and this is housed in a separate annex and operates as one unit with our FS2 children while the rest of the school is housed in the main building.

The school serves a wide and diverse community with over 30 different languages spoken with no one, predominant ethnicity in the school. Children eligible for free school meals is above the national average and the mobility in the school is high. Children come to us from across the city and across the world and our school celebrates its diversity with children stating in our recent Ofsted that 'if you don't have friends outside of school, you will find friends here.'

Attainment is good with children achieving in line with national outcomes and progress measures have historically been strong. There is a new but well-constructed curriculum in place which ensures the children are experiencing a broad, balanced and progressive curriculum whilst also providing opportunities for subject leadership and development of staff within school. The leadership team consists of the Headteacher, Nicola Wileman, 2 Assistant Headteachers and a full time Inclusion Manager. There is also a wider SLT team who support the leadership in school.

**Our school motto is Believe. Belong. Become.**

**At Hillsborough, we support, nurture and challenge our children and encourage them to BELIEVE in their strengths and in those of others.**

We do this through having high expectations of the children in their learning and in their behaviours, encouraging them to take risks and develop resilience for when things get hard. We provide opportunities to develop their moral code through high quality teaching and learning as well as group discussions and 1:1 mentoring around issues that are relevant to children's well-being. We want to ensure that our children move on to their next stage of education with confidence and pride, knowing that they have the self-belief to do anything they put their mind to.

**At Hillsborough, we create a belief in our children, staff and parents that they BELONG to a community that cares for them and supports all of their needs.**

We do this through exploring all aspects of communities, both past and present, and give children opportunities to develop their own understanding of how they fit into their personal, social and global worlds. The Hillsborough ethos is explicitly taught to the children in order for them to develop an understanding of boundaries and rules for good community living and to ensure that they show a high level of tolerance and respect to everyone that they meet. Parents are given varied opportunities to engage with the school community and invest in their child's learning and staff are encouraged to fully commit and belong to the school and to the Trust, whose purpose is focussed on ensuring all children reach their full potential.

**At Hillsborough, we enrich and extend learning for all so that every child can achieve their potential and **BECOME** the individual they aspire to be.**

We do this through ensuring high quality teaching and learning which develops children's basic skills, knowledge and understanding of the world. We value learning in all areas of the curriculum and believe that children have a depth of understanding if learning is linked together and children are encouraged to draw on their knowledge. We emphasise aspiration and expose children, through the topics and experiences we provide, to different roles people undertake and ensure that children are encouraged to think big and aim high in order to achieve their dreams.

We look forward to welcoming you to our school.
