Vacancy details

The governors of this successful and happy primary school are seeking to appoint two highly committed and energetic teachers to cover periods of maternity leave in Key Stage 2. We want teachers who will inspire and motivate our wonderful children. These posts offer an opportunity to join a committed, friendly and supportive team.

You must demonstrate high expectations of children's learning and a clear understanding of assessment. You must have a commitment to inclusion and to ensure high quality learning experiences for all children, whatever their needs. You will demonstrate an understanding of raising pupils' achievement through a wide range of teaching strategies.

The successful candidates will be real team players, excellent Primary practitioners with relevant and recent experience and have a thorough knowledge of the Key Stage 2 curriculum.
