Believe, Belong, Achieve

Middleton St Mary's is a 'good' school, Ofsted May 2022

Every pupil is treated as an individual at Middleton St Mary's. Relationships are sincere because leaders have created a culture where understanding every pupil is important. Staff know pupils well and want the best for all pupils. Leaders' vision is to make the school a real hub of the community. They are well on their way to achieving this.

Pupils are happy and feel safe at this school. They are polite and respectful towards each other. Staff have high expectations of pupils' behaviour, and pupils do behave well. Pupils know that they are expected to do 'The St Mary's Walk'. This promotes a calm and purposeful atmosphere. Pupils work hard and are rightly proud of their work. Pupils say that bullying is rare. If it does happen, they know that there are plenty of adults who will promptly resolve their concerns.

Leaders have developed a curriculum that takes account of what pupils need to learn and when. This starts in early years, where children get off to a strong start. The learning opportunities children experience in the early years foundation stage prepare them well for in Year 1 and beyond. The learning environment captures children's imagination. The school's curriculum progressively develops pupils' knowledge and skills as they move from Reception through to Year 6. As a result, pupils are prepared well for secondary school.

Middleton St Mary's is living up to it's foundation as a church school, SIAMS March 2024
