An exciting opportunity has arisen at St Andrew's Church School as we look to recruit a new member of staff to join our talented team. We are looking for a teacher with excellent classroom practice for a Key Stage 2 class from September and it is anticipated that this will be for a full school year or until the post-holder returns.

Now more than ever, our school plays a central role in the life of our local community and working with us will be an opportunity for you to genuinely change lives.

We are looking for somebody who is:

- an excellent teacher.
- able to teach, motivate and inspire children to the highest possible standards.
- an excellent communicator, able to develop effective relationships with pupils, staff, parents and the wider community.
- dynamic, resilient and able to contribute to a strong and supportive team and support the development of the school's vision.
- highly organised, proactive and with an eye for detail.
- independently minded, keeping up to date with the latest educational research.

We are able to offer:

- A well-resourced classroom.
- Inquisitive and enthusiastic children who will thrive under your support and direction.
- A staff team where support and collaboration is an embedded culture in our friendly and supportive environment.
- A genuine commitment to professional development.
- We are nurturing a caring and innovative culture across the school that focuses on nurturing the whole child, including high expectations for academic performance.
- Support from colleagues across the BWMAT

Prospective candidates are warmly invited to contact the school and a visit to the school to meet with the Headteacher, staff and children. If you would like to arrange this, please book an appointment via phone 01823 275906 or emailing Hayley.slade@standrews.bwmat.org

Benefits of working for the Bath & Wells MAT include: a generous pension scheme, enhanced sickness and parental benefits and a supportive working environment.
