Dear Applicant

Thank you for your interest in working with our team at Timbercroft Primary school, part of the Maritime Academy Trust.

We are a two form entry school from Nursery to Year 6 (3 - 11 year olds), which each phase based in one of four buildings on a large site in a residential area in Plumstead. Our intake is diverse with over 36 languages being spoken and a wide range of educational needs catered for.

We believe learning should be exciting - our ultimate aim is to provide a highly enjoyable, enhanced curriculum which not only incorporates the National Curriculum but the needs, thoughts and ideas of every learner in our school. Our revised curriculum ensures that all of our pupils are motivated, engaged and enthused about every learning experience, inspiring them to become lifelong learners and develops their cultural capital for the world in which we all live. The design of the curriculum takes into account the needs of all pupils, values their diversity and allows them to make excellent progress within their learning. Children work towards an exciting exit point which we call our 'Big Outcomes' where they can share their learning with parents and friends of the school. Big outcomes encourage entrepreneurial skills, giving children an opportunity to apply their knowledge and understanding, contextualising their learning.

The children and adults at Timbercroft have high expectations of behaviour and as a community we all work together to ensure that the school environment is positive and safe for all. We are an IQM Centre of Excellence and Flagship School for Inclusion and we are very proud of our wonderful friendly caring committed staff and children. At the core of our ethos is the belief that all children have the right to quality first teaching as part of a broad and balanced curriculum.

We hope that you find the information in this candidate pack useful and we urge you to look on our website (www.timbercroft.greenwich.sch.uk) for further details about the school. Maritime Academy Trust

Maritime is a charitable education trust with schools across London and the South East and led by the CEO – Nick Osborne.

As an education charity, Maritime are fully committed to advancing education for the public benefit. It is our mission to empower our schools with the means to drive ever greater and more enjoyable outcomes for children.

This is done by seeking out the intersection between logic and magic; between the knowledge children need, the skills that will enable them to navigate a future world of work that doesn't exist yet, and a journey through education that will stick with them as they grow.

Our Maritime Entrepreneurial Curriculum brings this all together, weaving essential skills and knowledge into a thematic approach to learning that is embraced by all of our schools. It culminates with our Maritime Expeditions: child-led learning showcases that demonstrate how children have found solutions to real-world challenges.

Like our name suggests, Maritime draws on the heritage of our original Greenwich home. We are explorers and adventurers who believe that our community grows stronger the more people we meet and the more we learn from them. Our whole approach to what we do, our whole mindset, is that through strong collaboration we can most effectively spark innovation throughout our schools. Collaborate, Innovate, Educate.

We are very proud of how we work together, approaching everything through the lens of our Maritime Behaviours, the ways of working that build towards our vision and make it enjoyable to be a part of the team.

As an employee of the Maritime Academy Trust you can expect:

- a positive working environment
- national terms and conditions
