Westbury Church of England Junior school is situated close to the centre of Westbury; it is a large junior school with extensive grounds. At Westbury CE Junior School, every child is offered their moment to shine. All children feel valued for who they are and recognise that school life is relevant to their lives. At Westbury CE Junior School, we show respect to all, show care for all and inspire all to be the best version of themselves they can be.

As a Church of England School, core Christian values underpin our school day. All adults in the school model these values to our children and parents speak very highly about how this contributes to a positive learning environment. Our children understand that, regardless of background or personal circumstance, we are a place where everyone can succeed and everyone has worthy contributions to make to our whole school community.

We wish to recruit enthusiastic and forward-thinking, Key Stage 2 teachers to join our team. We hope to recruit someone who has high expectations both of themselves and others - someone who can inspire pupils and adults alike. We would love to hear from someone who has a passion for Key Stage 2. ECT's are welcome to apply. There may also be development opportunities available in the school to demonstrate innovation and growth in leadership for the right candidate.

- Has high expectations and is able to raise aspiration and achievement
- Aspires to be an outstanding teacher and inspires great learning
- Is able to deliver high quality learning opportunities for every child
- Is creative, innovative and ambitious
- Is an effective team player and committed to personal and team development
- Is willing to promote and support wider school working and enrichment
- Has ambition to make a difference

We can offer:

- An excellent package of professional development opportunities

- An inclusive and caring ethos – a strong and positive family feel
- Specialist staff and a motivated team
