

NW/LR

November 2023

Dear Applicant

Thank you for your interest in the post of KS2 Year 5 Teacher for January to April 2024 at The Bemrose School. I hope that you find the information useful to you in your decision making. We direct you to www.derby.gov.uk for Derby City information.

The background information about The Bemrose School outlines the key features and current circumstances of the school. What it does not do is give you a flavour of the level of dedication and loyalty our staff and pupils have to bringing about improvements and raising attainment.

We offer you the opportunity to work in a school which is very supportive, has excellent relationships with the local authority and is making a real difference to the educational opportunities of its pupils.

We opened the primary phase of our extended all-age provision in September 2014 and moved to our state of the art building in January 2015. This is an exciting opportunity to be involved in planning and developing learning in the primary phase of The Bemrose School.

There is a forward – thinking and positive team in the Primary phase. As a school we are well resourced and financially sound. All teachers have laptops and each area has access to interactive whiteboards and projectors. We are committed to staff development and have a wide range of in-house training opportunities available to staff to support personal and professional development.

We have enclosed a person specification to inform you about who we are looking for. You must be committed to safeguarding and promoting the welfare of children.

If you think you fit this description then we welcome your application. Please write no more than 2 sides of A4 explaining how your experience to date has prepared you for this role and how you will develop learning and progress along with your completed Bemrose application form. The closing date for applications is 10.30am on Wednesday 13th December 2023.

Yours faithfully

Mr Neil Wilkinson
Executive Headteacher
