

Job Title: KS3 Maths Lead
Salary: MPS/UPS + TLR 2a
Hours: 32.5 Hours/52.143 weeks per year,
Permanent

We are looking for an exceptional KS3 Maths Lead to join our team for Jan 2027.

Thank you for your interest in joining our school. We are on an exciting journey to become a nationally leading school and are looking for ambitious people who believe that children can succeed no matter what.

We are looking for an ambitious and enthusiastic **KS3 Maths Lead** to support the development and delivery of an outstanding mathematics curriculum across Key Stage 3. The role will involve working closely with colleagues to ensure high-quality teaching, strong curriculum progression and excellent outcomes for all students. We value **potential as much as experience**, and this role would be particularly well suited to an ambitious teacher who is early in their career, eager to develop their leadership skills and ready to take the next step in their professional progression. We will provide the support and opportunities needed for the right candidate to thrive in the role.

At MAP, we are driven by a clear and ambitious core belief: every student who joins us has the potential to get to and through university. While we recognise that this may not be the right path for all of our students, we firmly believe that having this option is a hallmark of a successful, high-quality education—one that enables our students to excel in top careers and live their best lives. We combine academic rigor with a joyful learning experience, ensuring our students gain the knowledge, experiences, and support needed to achieve their dreams. We are known for our super high expectations for behaviour and academics, and believe that consistency, politeness and discipline underpins wellbeing and achievement. We also love to foster a joyful, supportive culture. We value strong relationships and recognise student achievements to help them reach their full potential.

We also prioritise staff well-being, offering work-life balance, professional development, and collaboration through the Ted Wragg Trust. We are proud to have nationally recognised for our commitment to staff wellbeing and workload reduction. Benefits of working as a teacher at MAP include:

- **Fortnightly 'Golden PPA' where teachers can work from home**
- **No written marking**
- **Centralised, fully resourced curriculum**
- **Centralised behaviour system**

- **Weekly instructional coaching and exceptional ECT support**
- **Protected time in your timetable to be able to contact parents**
- **Meetings only take place on a Monday**
- **Support as part of the Ted Wragg Trust**

If you value knowledge, consistency of approach, the very highest academic and behavioural expectations of students and wish to be at the cutting edge of educational development then please apply for the post KS3 Maths lead. Devon is an amazing place to live and work so if moving from elsewhere a relocation package available for the right candidate.

We would encourage you to arrange a visit to the school so you can see just how amazing our students are- please contact HR or SLT admin at sltadmin@marineacademy.org.uk

To apply and for further information on each of our positions please go to https://ce0218li.webitrent.com/ce0218li_webrecruitment/wrd/run/ETREC179GF.open?WVID=002975IVaQ

For an Informal conversation about the role please contact: SLT Admin at SLTAdmin@marineacademy.org.uk

Closing date	Monday 19 th October 2026 08:00am	Interview date	Wednesday 21 st October 2026
