Lead Invigilator

Welcome from the Headteacher

Dear Candidate,

It gives me great pleasure to welcome you to Philips High School. I am extremely proud to be a member of the Philips High School community and work with so many talented young individuals. My vision is that our children receive the highest quality of education in a supportive, respectful and ambitious school environment.

Philips High School was originally founded as a Grammar school in 1688 and to this day has retained some of the nostalgia, charm and high academic standards of the old school. When you first visit Philips High School, you immediately sense the warm welcoming atmosphere from our pupils and staff. This wonderful, vibrant community is a great place to learn and achieve. It is hard to find a school that educates the whole person both academically and pastorally.

The former Grammar school building and first-class facilities provide a stimulating environment that is both distinctive and inspirational. Our curriculum is both broad and ambitious, rooted in unrivalled holistic excellence. We place equal importance on performing arts, the creative subjects, technology, academia and sport through a vast range of experiences both inside and outside of the classroom. This fosters happy, confident and well-rounded young people.

Over the last few years, Philips High School has become a high achieving and successful learning community. The staff go above and beyond, ensuring that our collaborative, respectful and aspirational values permeate all aspects of our school. This enables our pupils to make consistently strong progress across the curriculum and develop themselves as individuals ready for the future.

We are a caring community; providing high challenge as well as significant support for our pupils. Everyone is welcome at Philips and our core values of Success, Together, Aspire, Respect (STAR) are embedded into the heart of our school.

I am committed to working in partnership with parents and know that by working together we will ensure that every child enjoys school, is happy, safe and have the opportunity to thrive and achieve their best.

It is the quality of the relationships and the personalised approach that makes Philips High School successful. Our students are at the heart of everything we do; they enjoy school, are fulfilled, aspirational and form lifelong friendships.

Inclusion is at the
heart of our trust

Introduction to Our Trust

Dear Candidate,

Thank you for your interest in this post at Philips High School, part of Oak Learning Partnership.

Our trust is cross phase and consists of primary, special, and secondary schools. We have a vision to transform lives through a highly inclusive approach. 'Inclusion is at the heart of our trust'. Which means we are compassionately rigorous and support all of pupils to reach their full potential, we have unconditional positive regard, leave no one behind and everyone is welcome.

Our schools work closely with one another; they collaborate with purpose, support each other and share collective systems across both educational and business provisions. But it's also important to us that each school has their own identity and individuality. We make sure we focus on impact and ensure clarity and consistency from our leaders, always making sure common sense is at the heart of our decision making.

Our people matter; we understand that we can only achieve our vision by recruiting the right people and providing them with the support, training and time they need in order to allow them to flourish and be the best they can be. Whatever role an individual undertakes within our organisation, they are contributing to our collective aim of transforming lives. We invest heavily in our people ensuring they feel valued, and their well-being is always considered. We understand that if staff feel valued and if the impact they are having is recognised, they can perform at their best.

We are laying strong foundations for growing the Trust and have a clear vision, this role is a key part of our growth strategy and could be an excellent opportunity for the right candidate ready for their next step. We are a values driven organisation, are highly ambitious, passionate about doing things with integrity and have a healthy sense of humour.

If you want to make a difference to young people and join a trust at an exciting part of its journey, we would love to hear from you.
