Ofsted 2023

Principal Introduction

Thank you for showing an interest in joining Team SUA!

We are proud to be part of Staffordshire University Academies Trust (SUAT) whose family of twenty-one schools has a collective mission to 'Achieve Better Outcomes' for everyone.

At SUA, we have transformed our culture and approaches to education resulting in our academy achieving a 'Good' grading in all areas in our last full Ofsted inspection in November 2023.

We are at a really exciting stage in our history, we have rapidly growing student numbers, a growing sixth form and staff who are completely aligned to our vision in being relentless in our mission to achieve the best outcomes for our students.

Our students follow a simple RESPECT code which instils the right level of focus for the very best learning to take place. We underpin everything on our three academy values 'Aspire, Believe, Achieve!'

We are innovative in our approaches to teaching and learning, sourcing ideas from international practices. Successful learning is supported by having strong partnerships and we work to achieve this through excellent communication between the academy, parents, governors and the local community. We expect students to be engaged with the curriculum in a creative and innovative way, but not forgetting about the core values of education, ensuring they are equipped with the skills necessary for use in today's modern world.

For many years we have built a strong partnership with the Birmingham Repertory Theatre and with many local businesses who enrich the experiences of our students with once in a lifetime opportunities. We offer our students a range of residentials, both locally and internationally, and we are constantly exploring other opportunities to provide additional enrichment for the whole of Team SUA.

We are delighted that you are interested in joining the team, if you are able to, please come and see us in action!

Mrs Rowena Hillier

Reasons to join SUA

Culture

We have an ethos of 'Culture Eats Strategy for Breakfast' – our positive culture is about the central mission of 'improving outcomes for all students'. Staff are friendly, positive and have brought around historical change at SUA through teamwork and innovation. We instill a sense of 'Belonging' in all of our students to support their journey whilst being part of Team SUA.

Wellbeing

Our staff satisfaction is excellent. Staff have access to a suite of wellbeing opportunities, such as daily tea and toast in our staffroom, golden tickets, not meeting for meetings sake, wellbeing days...but our approach is not tokenistic. We work as a team to reduce workload issues, such as marking, so that any growing pressures can be easily addressed.

Evidence Informed Practice

All of Team SUA (teaching and support) are evidence informed. Staff run year-long projects as part of their own appraisal process. In September 2023 all of our work was published in Ross Morrison-McGill's book 'A Guide to Questioning' – an achievement we are all really proud of. The work that colleagues complete then influences policy and future plans for the academy.

Wider Opportunities

Our sponsor, The University of Staffordshire, supports our staff in pursuing further qualifications, such as a Master's in Education. Staff are also encouraged to complete NPQs. We have proud links with The Birmingham Repertory Theatre as well as with many local businesses. As part of our sixth form, we also offer our own in-house football academy.

Quality of Education

Our curriculum is carefully designed to ignite ambition, secure knowledge and develop lifelong learners. Knowledge and skills are sequenced logically and progressively, with concepts mapped horizontally and vertically to ensure depth and coherence. Core substantive, disciplinary and hinterland knowledge are all considered as well as a wealth of opportunities to enhance both cultural and social mobility.

Coaching

We moved away from graded observations many years ago, which helped transform our developmental approach to teaching. We truly believe that no member of staff is the finished article. Staff at any stage in their career share typically great practice to constantly improve.
