

April 2021

Dear Colleague,

Thank you very much for your interest in the post of Lead Practitioner in Science at The Boswells School. We are an extremely popular, oversubscribed and very successful 11-18 school who values our staff and the impact they make on our students.

The role that you are applying for is a crucial post in the development of the school and the educational provision we offer our students. In 2019, at GCSE and A-level, our students' progress and attainment were significantly above local and national averages and mean we are the one of the highest performing non selective state schools in Essex.

This is a unique opportunity for a highly motivated colleague to develop their career and enclosed with this letter is a job description and person specification for the role. If you believe that you have the necessary skills and are seeking an opportunity to develop these skills then I look forward to receiving your application.

Applications are welcome from colleagues who already have QTS status. The Science Faculty is extremely well resourced and you will be joining a very strong team with excellent resources at your disposal.

It is also important that you realise that we can offer you a huge amount of support in development of your career. We take pride in the fact that, as a school, a large number of our staff move on to promoted positions.

Thank you for your interest in The Boswells School. Please do not hesitate to contact me at the school if you require any further information. If you would like to visit the school or meet with me prior to submission of your application, please contact Mrs Maria Williams, on mho@boswells-school.com or 01245 264451. You can also contact Toni Gage-Pascoe (Head of Science) on tgp@boswells-school.com directly should you wish to discuss any aspect of the role.

Alternatively a huge amount of information about the school can be found at www.boswells-school.com

The deadline for applications is midday on Monday 26th April and interviews will take place later that week.

Yours faithfully

Stephen Mansell
Headteacher
