- Monitoring the quality of teacher marking and feedback
- Sampling students' books and work for quality assurance

Support the analysis and evaluation of student achievement within the department by:

- Using baseline data and assessment records to evaluate the quality of achievement of individuals and teaching groups within the department
- Comparing achievement within the department with other in school groups and subject areas, and national statistics and trends

Leading and Managing People: Professional Learning and Development

As directed by the Director of Mathematics to provide dynamic and inspirational leadership in the Department and lead the development and implementation of key curriculum, and department initiatives by:

- Enthusiastically leading colleagues within a positive and supportive working atmosphere, with a common vision for success
- Assisting in the development of appropriate syllabuses, resources, learning sequences, marking policies and teaching strategies in the department

Role Description

Lead Practitioner – Mathematics

- Contributing to the department's plan and its implementation
- Taking a lead role, working closely with other Lead practitioners in determining and developing policies, procedures and practice, promoting collective responsibility for their implementation to ensure high achievement through innovative curriculum, effective teaching and learning and whole Academy improvement
- Analysing national, local and school data, research and inspection findings to inform curriculum area policies and practices, expectations and teaching methodologies and to report regularly to the Director of Mathematics.
- Using local and national data and other information in order to provide: a comparative baseline for evaluating learners' progress and attainment; a means of judging the effectiveness of their teaching; a basis for improving teaching and learning
- Taking a lead role in improving the effectiveness of assessment practice in the department in evaluating the effectiveness of teaching and learning
- Researching and evaluating innovative curricular practices and drawing on research outcomes and other sources of external evidence to inform own practice and that of colleagues
- Leading and supporting the development of post-16 courses in the department and across school in liaison with external organisations

Leading and Managing People: Working with the Community

- Contribute to any elements of community development work in the Academy relevant to the role or responsibilities.
- Develop positive relationships with students, staff, parents and the community and ensure learning experiences are integrated with the wider community.
- Organise and conduct meetings where appropriate with parents and carers to ensure positive outcomes for all parties.
- Use every opportunity to promote the achievements of young people and the Academy
- Attend governors' meetings and agreed events in the wider community as required.
- Develop positive relationships and work effectively with colleagues across the Trust and from external agencies.
- Engage with specialist support services/multi agencies to support the children and young people and families within the school.

All senior leaders will be required to work across schools within the Trust and fulfil a system leadership role in supporting other schools by agreement with the Executive Principal/Principal.

This Role Description is to be performed in accordance with the provisions of the School Teachers' Pay and Conditions Document and pursuit of the 'National Standards of Excellence for Headteachers' (2015) underpins this role.

The aim of the Role Description is to indicate the general purpose and level of responsibility of the post. Duties may vary from time to time without changing the character of the post or general level of responsibility. This is an outline Role Description only and the post holder will be expected to undertake duties commensurate within the range and grade of the post or any lesser duties as directed by the Principal.

Maltby Learning Trust is committed to safeguarding the welfare of children and expect all staff to share this commitment. An Enhanced DBS Disclosure is required for all staff.
