Chief Executive
Leigh Academies Trust

Welcome

Through a model of education that creates a network of inspirational and inclusive academies that share the same values, the Trust provides the drive for educational improvement and dynamic transformation. All of the academies work closely and collaboratively together, along with our partners, seeking to exploit the key educational philosophy of human scale education. To maximise the levels of achievement across each of our learning communities, all activities are focused on improving the life chances of the young people in our care.

As of 1st September 2022, our Trust comprises 30 geographically organised academies (14 secondaries, 14 primaries and 2 special) educating 20,000 students, and employing 3,000 talented staff. The Trust is establishing four 'clusters' of academies: North Kent; Central Kent; South East London; Medway. In addition, the Trust is responsible for one of the region's biggest initial teaching training organisations, a large teaching school hub and is an accredited apprenticeship provider. Our future plans are found in our [Vision 2030 document](#) available on our website.

Leigh Academies Trust is ambitious about the progress and development of teaching and learning within its schools. Our mission is to create an outstanding organisation that

inspires learners with excellence in academic achievement and personal development.

We are seeking to appoint an outstanding maths practitioner with a proven track record of teaching excellence to join our expanding Academy Improvement Team and become our next Lead Practitioner of Maths. You will help to inspire our committed and supportive team across the academy, modelling and leading the improvement of teaching skills to raise student achievement to all groups and to narrow any gaps in attainment.

Your focus will be raising attainment in Maths by working with other teachers and leaders across the organisation. You will be expected to support colleagues to deliver their timetable to the very highest standards and be open-minded to step in and support when necessary. This is a unique, exciting opportunity for career development towards headship.

Achievement for all students regardless of background is our key objective. We offer stimulating learning environments where effective teaching and learning are underpinned by high-quality interpersonal relationships. If you are ambitious for yourself and the learners you serve, then you are the person we need.

The Leigh Academy

The Leigh Academy

The Leigh Academy Dartford offers excellent learning opportunities to all of our students from Year 7 to Year 13. We are the founding academy of The Leigh Academies Trust. We are an accredited International Baccalaureate World School following the IB Middle years Programme at Key stage 3 and offering the International Baccalaureate Career- related Programme in Post 16, as well as a range of A Level and BTEC qualifications. Our model of education enables all students to reach their full potential. Students thrive here as we strive for excellence in all that we do by 'Opening Minds to Success'.

We are a successful and inclusive academy and we take pride in being the first school in the UK to have been awarded the Healthy Minds kitemark, in recognition of successful development and delivery of the Healthy Minds programme, an integral part of the RSHE curriculum demonstrating our commitment to the personal development of students. We have also gained national recognition through Challenge Partners for our RSHE curriculum as an Area of Excellence. Every child receives a Chromebook, as part of our embedded digital strategy which ensures students are prepared for life in the digital age. We have a culture of high aspiration and students develop with us the skills and outcomes to lead healthy, happy and successful lives.

Our dedicated staff are the most important factor in transforming lives and delivering the best outcomes for every student. Every colleague has access to a wide range of professional development opportunities, tailored to the

individual depending on aspirations and key areas of interest.

We are looking to appoint a dedicated and enthusiastic Lead Practitioner for Maths. The successful post holder will not only support the leadership of the maths team in all aspects of 'Quality of Education', but will also take on a whole-Academy strategic responsibility, which will be discussed at interview and will be dependent on the successful candidate's experience and interests. The successful post holder should embrace a forward thinking approach to further raising standards in teaching, ensuring that our pupils have access to highly effective learning experiences - developing their acquisition of knowledge and skills and enabling all to be life-long learners. As part of Leigh Academies Trust, there is a wide range of opportunities to work collaboratively with other academies and senior leaders within the Trust: creating and sharing resources that will ultimately benefit our students and the community that we serve, as well as collectively sharing and refining best practice to raise the standards of teaching and learning within our own academy and across the Trust.

We look forward to hearing from you.

Vacancy

We are looking for a Lead Practitioner - Maths for January 2023, and warmly welcome applications from experienced teachers who are passionate about Maths and are dedicated to enabling students to make excellent progress.

The mathematics department is extremely proud of it's examination results this year, with 68% of our students achieving grades 4 or above at GCSE and 100% A Level pass rate.

As the Lead Practitioner for Maths, you will work in a successful and large team with a wide range of experience. The department continues to successfully train and develop Early Career Teachers (ECTs) as a means of investing in the future of the department. With senior leaders also in the department, you will be able to rely on the expertise of established practitioners who will play a part in working with you to drive standards higher. This is a fantastic role where you will have a direct impact in developing the maths department to make it even better.

For our successful candidate, being a member of staff at The Leigh Academy and the wider Trust means you'll receive access to a great range of employment benefits from day one. [Click here to view the current benefits package](#), and be mindful that the list is always growing.

Application Process

Naturally, we are seeking to appoint the best possible candidate and therefore the application process will reflect our desire to undertake all necessary measures to achieve this.

On the basis that interested candidates may be keen to visit the academy before making a formal application, you can arrange this by contacting **Stacey Thomas** (Office Manager and PA) - **stacey.thomas@leighacademy.org.uk**. Visits will be offered in September/October 2022 and will be hosted by a member of the Senior Leadership Team. Please ensure you offer Stacey a range of dates when you are available in your initial email to ensure we can coordinate a visit that works for both you and the academy.

Candidates wishing to have an initial conversation with the SLT about this role can also arrange for a telephone call. Those wishing to do so should also contact Stacey Thomas (as above) in the first instance.

To submit an application in full, please do so online via the following link;
