

Lead Practitioner - Maths

Strood Academy

More than just a job. More than just an employer.

Leigh Academies Trust is a dynamic, vibrant multi-academy trust, founded in 2008. Today we encompass 31 academies across Kent, Medway and South-East London.

Simon Beamish

BA (Hons) MSc PGCE NPQH NLE FCCT

Chief Executive
Leigh Academies Trust

Welcome

Through a model of education that creates a network of inspirational and inclusive academies that share the same values, the Trust provides the drive for educational improvement and dynamic transformation. All of the academies work closely and collaboratively together, along with our partners, seeking to exploit the key educational philosophy of human scale education. To maximise the levels of achievement across each of our learning communities, all activities are focused on improving the life chances of the young people in our care.

As of 1st September 2021, our Trust comprises 31 geographically organised academies (15 secondaries, 14 primaries and 2 special) educating 20,000 students, and employing 2,500 talented staff. The Trust is establishing four 'clusters' of academies: North West Kent; Central Kent; South East London; Medway. In addition, the Trust is responsible for one of the region's biggest initial teaching training organisations, a large teaching school hub and is an accredited apprenticeship provider. Our future plans are found in our Vision 2025 document available on our website.

Leigh Academies Trust is ambitious about the progress and development of teaching and learning within its schools. Our mission is to create an outstanding organisation that inspires learners with excellence in academic achievement and personal development.

We are seeking to appoint an outstanding maths practitioner with a proven track record of teaching excellence to join our expanding Academy Improvement Team and become our next Lead Practitioner of Maths. You will help to inspire our committed and supportive team across the academy, modelling and leading the improvement of teaching skills to raise student achievement to all groups and to narrow any gaps in attainment.

Your focus will be raising attainment in maths by working with other teachers and leaders across the organisation. You will be expected to support colleagues to deliver their timetable to the very highest standards and be open-minded to step in and support when necessary. This is a unique, exciting opportunity for career development towards headship.

Numera Anwar

Principal
Strood Academy

Strood Academy

I would like to extend a warm welcome to Strood Academy, a successful, thriving and vibrant learning community for 11-19 year olds. We are extremely proud of our staff and students and have a strong belief that all students deserve a world class education, which we continue to offer as their local community school.

We deliver innovative teaching and learning through our broad, balanced and inclusive curriculum allowing our students to experience a rich variety of subjects. Our curriculum and lessons are sequenced to enable our students to build on their prior knowledge and further develop their understanding in order for them to achieve the highest outcomes regardless of their starting point.

Our vision at Strood Academy is to create 'An inclusive community where we are all kind, respectful and resilient in our journey towards excellence. Our students thrive through an enriching and diverse curriculum that offers a global perspective, empowering all to become inquisitive lifelong learners.'

Our core values are to be:

- Inquisitive
- Respectful
- Resilient
- Kind

Why work at Strood Academy?

- Our recent OFSTED inspection has confirmed

that the academy continues to be judged 'Good' and is very strong in many aspects and areas. The full report can be found on our website and I would like to share a quote which reflects the culture and ambition we all have for our students.

'The principal advocates a culture of high expectations, aspirations and traditional values. Leaders' high expectations are reflected in the ambitious International Baccalaureate curriculum. This provides a global perspective which encourages pupils to be inquisitive lifelong learners'

- Centralised behaviour system and detentions - simple for teachers to follow allowing disruptive free classrooms.
- Our commitment to the development of all staff - CPD on Wednesday afternoons and the opportunity to collaborate with staff from other schools in the LAT. Also all staff at Strood receive regular coaching feedback through our on-line platform on-track.
- Strood academy is easily accessible by A2 and the high speed train can allow for travel into London in less than 30 minutes.
- We have a common sense approach to workload. All teachers are expected to give feedback or live mark. We also work closely as a Trust allowing for centralised resources to be shared across our secondary schools.

Vacancy

We are looking for a Lead Practitioner - Maths for September 2022 or January 2023 (dependent on the successful candidates availability), and warmly welcome applications from experienced teachers who are passionate about maths and are dedicated to enabling students to make excellent progress.

As the Lead Practitioner for maths, you will work in a large team with a wide range of experience. The department continues to successfully train and develop ECTs as a means of investing in the future of the department. With senior leaders also in the department, you will be able to rely on the expertise of established practitioners who will play a part in working with you to drive standards higher. This is a fantastic role where you will have a direct impact in developing the maths department to make it even better..

Achievement for all students regardless of background is our key objective. We offer stimulating learning environments where effective teaching and learning are underpinned by high-quality interpersonal relationships. If you are ambitious for yourself and the learners you serve, then you are the person we need. As a lead practitioner you will also support the Assistant Principal and existing Lead Practitioners in driving whole school initiatives linked to teaching and learning, pedagogy and assessment. You will also support the school's approach on life long learning with all in the community through coaching of staff and CPD offer on our dedicated Wednesday afternoons.

For our successful candidate, being a member of staff at Strood Academy and the wider Trust means you'll

receive access to a great range of employment benefits from day one. [Click here to view the current benefits package, and be mindful that the list is always growing.](#)

We'd like to hear from candidates who are:

- An excellent leader who is passionate about learning and has strong subject knowledge within the maths remit
- Collaborative, able to build strong professional relationships
- Able to motivate and inspire students and staff to achieve their full potential
- Energetic and have a can-do attitude
- Confident and has strong career aspirations
- Committed to safeguarding and the happiness and wellbeing of everyone at the Academy
- Prepared to be involved in leading co-curricular activities either within or outside of their teaching subject

Application Process

On the basis that interested candidates will be keen to visit the academy before making a formal application, you can arrange this by contacting Sarah West, PA and Office Manager - sarah.west@stroodacademy.org. Visits will be hosted by Numera Anwar, Principal or a member of the Senior Leadership Team. Social distancing and other Covid-secure safety measures will be observed at all times following latest government guidelines. Please ensure you offer a range of dates when you are available in your initial email to ensure we can coordinate a visit that works for both you and the academy.

Candidates wishing to have an initial conversation with the Principal about this role can also arrange for a telephone call. Those wishing to do so should also contact Sarah in the first instance.

Naturally, we are seeking to appoint the best possible candidate and therefore the application process will reflect our desire to undertake all necessary measures to achieve this.

To submit an application in full, please do so online via the following link;

Job Profile

Role: Lead Practitioner - Maths - Strood Academy
Reporting to: Head of College (Vice Principal)

Core Purpose

- To raise standards and develop teaching and learning in maths across the Academy.
- To ensure that the aims of the Academy are effectively translated into high quality classroom practice both within the subject and in general across the Academy.
- To assist in developing, implementing, monitoring and evaluating:
 1. Teaching and learning
 2. Curriculum planning
 3. Continuing professional development
 4. Team building
- To promote and ensure positive pupil approaches to learning through:
 1. High expectations
 2. Exceptional teaching
 3. A stimulating learning environment
 4. An emphasis on learning
 5. Development of co-curricular opportunities
- To be a key leader in establishing systems and procedures to develop teaching and learning.
- To consistently deliver high quality lessons, promote proven strategies, and support colleagues - both on a 1-2-1 basis and in groups - to develop pedagogy and practice in order to improve the quality of learning and teaching with the specific aim of securing outstanding teaching and student outcomes.
- To work with the Director of Learning for Maths

on all aspects above and to respond to Academy priorities within maths as directed by the senior leader responsible for science.

- To work with the Director of Learning for Maths to devise action plans in order to close achievement gaps and ensure that these are being implemented appropriately.
- To work with and report to the Vice Principal for teaching and learning to monitor, evaluate and review the quality of education across the academy. You will support planning and delivering the whole school CPD to improve teaching and learning.

Key Areas of Responsibility

Staff

- To oversee the professional development of staff in science across the Academy and provide advice on appropriate means of CPD.
- Ensure that staff are kept well-informed of recent developments in maths.
- Observe the teaching of science teachers, give constructive feedback and monitor this to ensure that it leads to improved standards in the classroom.
- Allocate responsibilities and duties so as to ensure continuing professional development.
- Design, implement and evaluate an in-house, blended approach to teachers learning through strategies such as coaching, in-class training and 1-2-1 mentoring sessions.

Curriculum

- To support the Director of Learning for maths in developing and reviewing the maths curriculum and schemes of work at KS3, KS4 and KS5.

- Coordinate preparation, delivery and evaluation of schemes of work for the Academy in accordance with the National Curriculum requirements; with a particular focus on challenge, pace, high order questioning and thinking skills, as well as writing and speaking opportunities to facilitate students accessing the highest grades at KS3, KS4 and KS5.
- Provide leadership and guidance on production of learning resources.
- Monitor and evaluate to ensure that there is a consistency in terms of learning experiences for students within each of the small schools in accordance with the Academy policy and the Academy's criteria for effective teaching and learning.
- Provide guidance on exam specifications and delivery time frames, and additional related qualifications that could be included in the curriculum offered at the Academy.
- Lead and encourage critical professional dialogue within the maths department.
- To liaise with agencies outside the Academy to enrich and broaden the curriculum.

Assessment

- To issue guidance in order to develop rigour and accuracy in grading at KS3, KS4 and KS5 across the Academy. To ensure that there are appropriately regular opportunities for students' work to be accurately graded throughout each half term.
1. Identify and implement strategies for raising standards at all key stages in line with the latest accountability measures.
 2. To develop assessment for learning with maths staff across the Academy in line with Academy policy.
 3. To ensure that there are appropriate and accessible

graded examples of students' work from across the Academy to be used for the purposes of moderation, training, and as evidence of standards in your subject area.

Communication

- To provide subject specific information to the senior leader responsible for maths whenever required.

Resources and The Learning Environment

- To ensure that the learning environment is well-ordered, safe and stimulating, leading by example to encourage a high standard of display work in classrooms and communal areas with a clear emphasis on celebrating success, sharing achievements and the importance of both literacy and numeracy.
- To advise on the purchase of appropriate and stimulating resources and ensure that these are used.
- Ensure that maths staff across the Academy make full use of the range resources at their disposal in particular the use of chromebooks.

‘We care – about our pupils through our human scale approach to education, our staff and their well-being and the communities that we serve, driven by our high ideals and strong moral values.’

Safeguarding of students and Duty of care

All staff, regardless of role, level of seniority and location, have a responsibility to ensure the highest levels of safeguarding and promoting the welfare of our pupils, and we expect all our staff and volunteers to share this commitment. We must collectively create an environment where children feel safe to learn, play, and grow. Children should feel comfortable in their surroundings and know that they can approach any responsible adult with any problems or concerns.

All staff must be able to identify any children who are at risk of harm, and know the characteristics of abuse or neglect. If you suspect or confirm harm then it's essential you know what actions to take.

Annual safeguarding training is offered to all staff at Leigh Academies Trust, and it is the staff member's responsibility to be aware of the most up to date guidance documented in the [Keeping Children Safe in Education document \(Department of Education\)](#).

Notes

The job description allocates duties and responsibilities but does not direct the particular amount of time to be spent on carrying them out and no part of it may be so construed. This job description is not necessarily a comprehensive definition of the post. It will be reviewed at least once a year and may be subject to modification or amendment at any time after consultation with the holder of the post.

The duties may be varied to meet the changing demands of the academy/business unit at the reasonable discretion of the Principal/Director. This job description does not form part of the contract of employment. It describes the way the post-holder is expected and required to perform and complete the

particular duties as set out in the foregoing.
