Lead Practitioner - Maths

The Leigh Academy

More than just a job. More than just an employer.

Leigh Academies Trust is a dynamic, vibrant multi-academy trust, founded in 2008. Today we encompass 31 academies across Kent, Medway and South-East London.

Simon Beamish

BA (Hons) MSc PGCE NPQH NLE FCCT Chief Executive Leigh Academies Trust

Welcome

Through a model of education that creates a network of inspirational and inclusive academies that share the same values, the Trust provides the drive for educational improvement and dynamic transformation. All of the academies work closely and collaboratively together, along with our partners, seeking to exploit the key educational philosophy of human scale education. To maximise the levels of achievement across each of our learning communities, all activities are focused on improving the life chances of the young people in our care.

As of 1st September 2021, our Trust comprises 31 geographically organised academies (15 secondaries, 14 primaries and 2 special) educating 20,000 students, and employing 2,500 talented staff. The Trust is establishing four 'clusters' of academies: North West Kent; Central Kent; South East London; Medway. In addition, the Trust is responsible for one of the region's biggest initial teaching training organisations, a large teaching school hub and is an accredited apprenticeship provider. Our future plans are found in our Vision 2025 document available on our website.

Leigh Academies Trust is ambitious about the progress and development of teaching and learning within its schools. Our mission is to create an outstanding organisation that inspires learners with excellence in academic achievement and personal development.

We are seeking to appoint an outstanding maths practitioner with a proven track record of teaching excellence to join our expanding Academy Improvement Team and become our next Lead Practitioner of Maths. You will help to inspire our committed and supportive team across the academy, modelling and leading the improvement of teaching skills to raise student achievement to all groups and to narrow any gaps in attainment.

Your focus will be raising attainment in Maths by working with other teachers and leaders across the organisation. You will be expected to support colleagues to deliver their timetable to the very highest standards and be open-minded to step in and support when necessary. This is a unique, exciting opportunity for career development towards headship.

Achievement for all students regardless of background is our key objective. We offer stimulating learning environments where effective teaching and learning are underpinned by high-quality interpersonal relationships. If you are ambitious for yourself and the learners you serve, then you are the person we need.

The Leigh Academy

The Leigh Academy Dartford offers excellent learning opportunities to all of our students from Year 7 to Year 13. We are the founding academy of The Leigh Academies Trust. We are an accredited International Baccalaureate World School following the IB Middle years Programme at Key stage 3 and offering the International Baccalaureate Career- related Programme in Post 16, as well as a range of A Level and BTEC qualifications. Our model of education enables all students to reach their full potential. Students thrive here as we strive for excellence in all that we do by 'Opening Minds to Success'.

We are a successful and inclusive academy and we take pride in being the first school in the UK to have been awarded the Healthy Minds kitemark, in recognition of successful development and delivery of the Healthy Minds programme, an integral part of the RHSE curriculum demonstrating our commitment to the personal development of students. We have also gained national recognition through Challenge Partners for our RSHE curriculum as an Area of Excellence. Every child receives a Chromebook, as part of our embedded digital strategy which ensures students are prepared for life in the digital age. We have a culture of high aspiration and students develop with us the skills and outcomes to lead healthy, happy and successful lives.

factor in transforming lives and delivering the best outcomes for every student. Every colleague has access to a wide range of professional development opportunities, tailored to the individual depending on aspirations and key areas of interest.

We are looking to appoint a dedicated and enthusiastic Lead Practitioner for Maths. The successful post holder will not only support the leadership of the maths team in all aspects of 'Quality of Education', but will also take on a whole-Academy strategic responsibility, which will be discussed at interview and will be dependent on the successful candidate's experience and interests. The successful post holder should embrace a forward thinking approach to further raising standards in teaching, ensuring that our pupils have access to highly effective learning experiences developing their acquisition of knowledge and skills and enabling all to be life-long learners. As part of Leigh Academies Trust, there is a wide range of opportunities to work collaboratively with other academies and senior leaders within the Trust: creating and sharing resources that will ultimately benefit our students and the community that we serve, as well as collectively sharing and refining best practice to raise the standards of teaching and learning within our own academy and across the Trust.

We look forward to hearing from you.

Our dedicated staff are the most important

Vacancy

We are looking for a Lead Practitioner - Maths for January 2023, and warmly welcome applications from experienced teachers who are passionate about Maths and are dedicated to enabling students to make excellent progress.

The academy is committed to safeguarding children and successful candidates will be subject to an Enhanced DBS check. Our commitment to safeguarding is underpinned by robust processes and checks which are in place across the Trust.

Job Profile

Role: Lead Practitioner - Maths - The Leigh Academy Reporting to: Head of College (Vice Principal)

Core Purpose

- To raise standards and develop teaching and learning in maths across the Academy.
- To ensure that the aims of the Academy are effectively translated into high quality classroom practice both within the subject and in general across the Academy.
- To assist in developing, implementing, monitoring and evaluating:
- 1. Teaching and learning
- 2. Curriculum planning
- 3. Continuing professional development
- 4. Team building
- To promote and ensure positive pupil approaches to learning through:
- 1. High expectations
- 2. Exceptional teaching
- 3. A stimulating learning environment
- 4. An emphasis on learning
- 5. Development of co-curricular opportunities
- To be a key leader in establishing systems and procedures to develop teaching and learning.
- To consistently deliver high quality lessons, promote proven strategies, and support colleagues - both on a 1-2-1 basis and in groups - to develop pedagogy and practice in order to improve the quality of learning and teaching with the specific aim of securing outstanding teaching and student outcomes.

- To work with the Director of Learning for Maths on all aspects above and to respond to Academy priorities within maths as directed by the senior leader responsible for maths.
- To work with the Director of Learning for Maths to devise action plans in order to close achievement gaps and ensure that these are being implemented appropriately.
- To work with and report to the Vice Principal for teaching and learning to monitor, evaluate and review the quality of education across the academy. You will support planning and delivering the whole school CPD to improve teaching and learning.

Key Areas of Responsibility

Staff

- To oversee the professional development of staff in maths across the Academy and provide advice on appropriate INSET.
- Ensure that staff are kept well-informed of recent developments in maths.
- Observe the teaching of maths teachers, give constructive feedback and monitor this to ensure that it leads to improved standards in the classroom.
- Allocate responsibilities and duties so as to ensure continuing professional development.
- Design, implement and evaluate an in-house, blended approach to teachers learning through strategies such as coaching, in-class training and 1-2-1 mentoring sessions.

Curriculum

- To support the Director of Learning for Maths in developing and reviewing the maths curriculum and schemes of work at KS3, KS4 and KS5.
- Coordinate preparation, delivery and evaluation of schemes of work for the Academy in accordance with the National Curriculum requirements; with a particular focus on challenge, pace, high order questioning and thinking skills, as well as writing and speaking opportunities to facilitate students accessing the highest grades at KS3, KS4 and KS5.
- Provide leadership and guidance on production of learning resources.
- Monitor and evaluate to ensure that there is a consistency in terms of learning experiences for students within each of the small schools in accordance with the Academy policy and the Academy's criteria for effective teaching and learning.
- Provide guidance on exam specifications and delivery time frames, and additional related qualifications that could be included in the curriculum offered at the Academy.
- Lead and encourage critical professional dialogue within the maths department.
- To liaise with agencies outside the Academy to enrich and broaden the curriculum.

Assessment

• To issue guidance in order to develop rigour and accuracy in grading at KS3, KS4 and KS5 across the Academy. To ensure that there are appropriately regular opportunities for students' work to be

accurately graded throughout each half term.

- 1. Identify and implement strategies for raising standards at all key stages in line with the latest accountability measures.
- 2. To develop assessment for learning with maths staff across the Academy in line with Academy policy.
- 3. To ensure that there are appropriate and accessible graded examples of students' work from across the Academy to be used for the purposes of moderation, training, and as evidence of standards in your subject area.

Communication

 To provide subject specific information to the senior leader responsible for maths whenever required.

Resources and The Learning Environment

- To ensure that the learning environment is well-ordered, safe and stimulating, leading by example to encourage a high standard of display work in classrooms and communal areas with a clear emphasis on celebrating success, sharing achievements and the importance of both literacy and numeracy.
- To advise on the purchase of appropriate and stimulating resources and ensure that these are used.
- Ensure that maths staff across the Academy make full use of the range resources at their disposal in particular the use of chromebooks.

'We care – about our pupils through our human scale approach to education, our staff and their well-being and the communities that we serve, driven by our high ideals and strong moral values.'

Safeguarding of students and Duty of care

All staff, regardless of role, level of seniority and location, have a responsibility to ensure the highest levels of safeguarding and promoting the welfare of our pupils, and we expect all our staff and volunteers to share this commitment. We must collectively create an environment where children feel safe to learn, play, and grow. Children should feel comfortable in their surroundings and know that they can approach any responsible adult with any problems or concerns.

All staff must be able to identify any children who are at risk of harm, and know the characteristics of abuse or neglect. If you suspect or confirm harm then it's essential you know what actions to take.

Annual safeguarding training is offered to all staff at Leigh Academies Trust, and it is the staff member's responsibility to be aware of the most up to date guidance documented in the <u>Keeping Children Safe in</u> <u>Education document (Department of Education)</u>.

Notes

The job description allocates duties and responsibilities but does not direct the particular amount of time to be spent on carrying them out and no part of it may be so construed.
