

# Job Description: Lead Practitioner of Mathematics

**Reporting to:** SLT Lead for Teaching and Learning  
**Location:** Ark Charter Academy, Southsea  
**Contract:** Permanent  
**Working Pattern:** Full Time  
**Salary:** LP8 - LP12 (£53,437 to £58,962)

## The Role

To support the academy in raising standards of teaching and learning across departments, and to provide specialist subject expertise to assist staff within the Mathematics department.

## Key Responsibilities

### Leadership and management

- Enable all teachers in Mathematics to achieve expertise in teaching and planning, through coaching and support, as well as through the provision of CPD and inset training days to raise attainment in Maths across the academy
- Assist the Head of Department, in monitoring, evaluating and continually improving the quality of planning, teaching and learning, and assessment of all members of the Mathematics team
- To contribute to the monitoring, evaluation and review schedule, through providing excellent practice to support teaching and learning foci and to take an active role in the internal review schedule across departments.
- To implement an action plan that raises standards in student motivation, improves the quality of teaching and learning and achieves consistency, as appropriate to specific areas of responsibility.
- Develop strong partnerships and ensure regular communication with parents and carers
- Lead on the development of enrichment opportunities within Maths to create a deeper understanding of Maths in wider world and promote engagement

### Improving Teaching & Learning

- To be an expert coach/mentor, using this skill successfully to develop our teaching staff to achieve their full potential and to create bespoke programmes for targeted teachers across the academy (within/outside the Mathematics faculty).
- Model outstanding teaching and lead collaborative planning and development, including the sharing of resources and best practice within the department
- Ensure continuity and progression in Mathematics by supporting colleagues in choosing the appropriate sequence of teaching and teaching methods and setting clear learning objectives through an agreed scheme of work
- Use data to inform teaching and learning, identify areas for intervention and provide feedback to students, staff and families in order to promote progress and outcomes
- Manage behaviour effectively to create a safe, respectful and nurturing environment so that students can focus on learning
- Work collaboratively with both school and network colleagues as a committed team member, building successful, high performing teams
- Participate actively throughout the network, by attending relevant meetings, and, as appropriate, delivering network-wide training and initiatives
- Work with colleagues, students and families to develop a strong school community

## Other

- Actively promote the safety and welfare of our children and young people
- Ensure compliance with Ark's data protection rules and procedures

- Liaise with colleagues and external contacts at all levels of seniority with confidence, tact and diplomacy
- Work with Ark Central and other academies in the Ark network, to establish good practice throughout the network, offering support where required
- Assist the Principal in maintaining and developing all that is distinctive in our Church of England school
- Participate fully in the Christian Life of the school
- Carry out other reasonable tasks as directed by the Head of Department or Principal

***This job description is not an exhaustive list and may be amended by the Principal following interview. You will be expected to carry out any other reasonable tasks as directed by your line manager.***
