Lead Science Technician

Hours : 32.5 hours per week, term time only plus 5 training days

Salary : NJC Scale 4 £26,403-£28,142 (pro rata for term time) (depending on experience)

Required from: **April 2026**

We are seeking a dedicated (Lead) Science Technician to play a key role in supporting the delivery of high-quality practical science across the department. The successful candidate will help ensure excellent science lessons by preparing and organising practical resources, supporting staff during practical activities, and maintaining laboratories and equipment to the highest health and safety standards.

This role would suit someone with a scientific background or strong practical skills and knowledge, but additional training and ongoing support will be provided for the right candidate.

For more information and an application form please contact:

Adam Moore, Head of Science. Tel: 01886 887100 or email:
amoore@chantryschool.com

Closing Date: **Friday 27th February 2026**

The Chantry School is committed to safeguarding and promoting the welfare and safety of children and young people and expect all staff to share this commitment. The successful candidate will be subject to Enhanced DBS check and satisfactory references.
