

Lead Teacher of Enhanced Provision: Aspire

Dear Applicant

Welcome to Kingdown School, and thank you for your interest in this post.

Kingdown School

Kingdown School is an exceptional place to work. It is a co-educational, non-denominational academy for students aged 11-18 years, situated in Warminster in Wiltshire. There are currently approximately 1550 students on roll, including 250 in the Sixth Form. The school employs over 120 teaching staff, ably supported by almost 90 business staff. We are a true comprehensive school; as the only state school in the town we serve students of all abilities, aptitudes and backgrounds. The school has a very strong reputation within the community, which has been built on an unswerving focus on the quality of teaching and learning and great pastoral care. These have led, over time, to very positive student outcomes. The school has an incredibly positive ethos, built through the dedication and hard work of the staff. We truly are a 'child-centred' organisation; staff regularly go the extra mile to support students' learning, both inside and outside the classroom.

Kingdown is full of fantastic staff and wonderful students. "Believe, Aspire and Achieve" is the school motto and, alongside the Kingdown crown, creates a great sense of belonging for our students and the community. This is further enhanced through the pastoral system; the school has six houses (named from our time as a specialist Sports College: Lords, Millennium, Silverstone, Twickenham, Wembley and Wimbledon). Each house is split into 12 tutor groups which each contain students from Years 7 to 13. The vertical tutoring system within the school has helped secure that sense of family and belonging for our students. The students are intensely proud of their house – inter-house competition can be fierce!

Building on the very successful Ofsted inspection in March 2017, we want Kingdown School to continue to be exceptional and extraordinary, to serve the local community and beyond, and maintain its reputation as a school that everyone is proud to be associated with. This is an exciting time in the evolution of Kingdown School. This role is a key part of ensuring our provision best meets the needs of our students, and is a part of our 'Enhanced Provision' offer for students whose needs extend beyond the mainstream curriculum.

Acorn Education Trust, a private charitable company limited by guarantee. Registered in England and Wales.

The Trust is led by Sara Edwards (CEO). Finance and HR are centrally organised. Shared services in IT, premises, catering, PE/Sport (primary) and SEND are developing across all schools.

One of the Trust's main operational objectives is to ensure that each school focuses on the quality of teaching and learning; the business element is mainly managed by Trust staff. Reducing back office staff by sharing resources and improving IT and school to school support is keeping each school financially healthy, and directing as much money as possible into teaching and learning. As mentioned in the acrostic above, professional development is also a key priority within the trust.

The Directors maintain overall responsibility for all Trust schools, however they delegate many tasks to each school Academy Council of Governors through the scheme of delegation. The latter are the guardians of:

- the standards in the school
- the safety of the students and staff
- the management of the finances and assets
